# **Khalsa College of Engineering & Technology**

In consonance with the changing societal needs and to fulfil the regional, national and global aspirations of the youth of Punjab, Khalsa College of Engineering and Technology, Amritsar was established by the legendary Khalsa College Charitable Society in 2009. Within a short span of 11 years, the college has carved a niche for itself as a provider of quality education in the field of Engineering and Technology. Sprawling over an area of 16.27 acres in the posh locality of Ranjit Avenue, the lush green campus houses aesthetically designed, colossal college building, hostels, workshops, a modern, fully-automated library, seminar halls, spacious classrooms and well equipped laboratories with cutting edge technology and latest softwares, instruments and machines. Every day at this premier institution is a day of discovery and innovation as we encourage creativity in young minds. Our teaching pedagogy, open door policy, special emphasis on add-on skills to supplement the university curriculum make it a unique learning centre for the students from all over India and abroad. The philosophy which guides KCET is panoramic in vision and encompasses the best. With its state-of-the-art infrastructure and highly-qualified and committed faculty, KCET is opening up new vistas of learning and career opportunities for engineering enthusiasts.
